

Hi friend!

Welcome to our new quarterly newsletter! We hope you are well and have had a great summer! We want to send a huge thank you to our donors, volunteers, and adopters who have helped our tiny but mighty team over a very busy year and summer. We have welcomed so many incredible animals into our rescue and provided the love and care they needed. Below are just a few highlights!

Angeli was a puppy at a local animal control that was brought in as a stray, extremely sick and lethargic. After testing positive for parvo she became urgent and Forget Me Not Rescue took her in and provided the care she needed not only to survive, but to thrive! Now she is with her forever family and loving it!

Jasmine was a beautiful, sweet, soul who enjoyed being close to her person and being petted. She loved to play hockey, goalie, and fetch with her foster mom. She was inquisitive and curious and investigated herself right into her forever home after over two years in foster care!

Kittens, kittens, and more kittens. We can all agree that kittens are some of the most adorable little animals anyone can imagine, but you may not know that these cuties are also some of the most fragile little beings and require round the clock care. Jennifer, one of our amazing bottle feeding fosters, had FIVE at one time! Peeta Mallark, Catniss Everdeen, and the Heathcliff clan - Heathcliff, Riff Raff, and Sonja. They were all saved from euthanasia lists and are healthy and happy now! Catniss even found her forever home!

This month we held our first Wine for Whiskers event at Bishops Hill Winery and were thrilled with the outpouring of support! We raised almost \$1800 to help save more lives! Thank you to everyone who attended and volunteered to help make it a success! Mark your calendars for our next big event - our gala, Masquerade, on March 2, 2024!

Angeli, Jasmine, Catniss, Peeta, and the Heathcliff Clan are just a few of the hundreds of pets we have saved thanks to supporters like you. Please help us reach more people by forwarding this newsletter to your animal loving friends and stop by our Facebook page (Forget Me Not Rescue Inc, NFP) to see us and our adorable fosters!!
